

## WOOD RESTORATION SYSTEM FOR DECKS & FENCES

Restore-X® products restore wood to natural beauty and prepare it for restaining. Choose a wood prep product or products to remove weathering or previously applied products from wood and reveal the original grain below. After cleaning, use Restore-X® penetrating deck finish to protect wood in all seasons. All products are water-based and non-toxic for easy use and clean-up.

### Wood Prep Products:

#### EXTERIOR FINISH REMOVER

Use to remove stains and heavily weathered paint or to clean a dirty deck. An extra strength product that complements power washing and sanding. Appropriate for vertical and horizontal applications.

#### EXTERIOR WOOD DECK CLEANER

Horizontal applications only, and for the typical wood cleaning projects. Best for Semi-transparent stains & dirt.

#### EXTERIOR WOOD BRIGHTENER

Brightens wood grain to natural beauty Excellent second step in the restoration project.

### Wood Finishing Product

#### PENETRATING DECK FINISH

Available in Clear, Cedar, New Hickory, Chestnut, and Redwood colors. Has excellent curability, fungus and mildew resistant and is easy to apply.
